## FIVE YEARS

### Fred Jones Sentenced by Jury for The Killing of Will Lewis.

The jury in the Fred Jones case reached an agreement Wednesday morning and returned a verdict sentencing Jones to serve a term of five years in the state penitentiary for killing Will Lewis.

The killing of Lewis occurred on a Sunday afternoon last fall at a baptizing on Jonathans creek east of Dexter, and was witnessed by many persons. It is charged that Fred and Victor Jones engaged Lewis in a quarrel during which Lewis was fired upon by both the Jones boys and killed. At their examining trial they were both held under \$5,000 and were subsequently indicted for murder.

The trial of Fred Jones was commenced last Thursday and engaged the entire time of the court until the case was closed Monday evening.

A large number of witnesses were heard and the case contested closely. Sam Crossland and J. C. Speight, of Mayfield, Mike Oliver, of Paducah, and F. F. Acree defended Jones. Attorney Smith and County Attorney Barnett were assisted in the prosecution by Coleman & Linn and R. T. Wells. The verdict is generally conceded by the public as a

signal victory for the defense.

The jury was composed of Pleaz Wicker, Sam Holcomb, Leo Miller, L. L. Gregory, Henry Phillips, Jno. Edwards, Geo. Overbey, Crit Futrell, J. J. Thompson, John Key, Will Johnson and R. D. McCuston.

The trial of Victor Jones, indicted jointly with his brother, Fred, was commenced Wednesday afternoon. The jury was being completed at the time the time the Ledger was printed.

### Proceedings in Court.

Previous to taking up the Fred Jones murder case but little of importance was transacted in the circuit court last week.

Ed Gardner, colored, was sentenced to serve one year in the penitentiary for stealing a grip from Conductor Sugars of the N. C. & St. L. railway.

The case against Wayne Lawrence, charged with the murder of Andy Bannister near Backsburg last year, was called and continued.

Tuesday of this week the night rider cases were called and upon agreement by the prosecuting attorneys and attorneys for the defense the cases were continued.

Court will possibly adjourn at the conclusion of the Victor Jones case which is being tried at this time.

### Tobacco Barn Burned.

A tobacco barn on the farm of Mrs. Bank Tucker, near Kirksey, was destroyed by fire last

## SO VERY CLOSE YOU CAN'T SEE BETWEEN.

### Miss Chapman and Miss Rogers are Seesawing for First Place Each Week.

It's a real game of hide-and-seek between Miss Osa Chapman and Miss Eula Rogers for first place in the big piano contest. Since our last report each has been in the lead and at this time the difference is so slight it would not be possible to tell who would be in the lead tomorrow.

Between the city contestants Miss Opal Wallis is closing the gap between herself and Mrs. Noble Harris and unless a decided change takes place the race between the city contestants will be a live contest.

Commencing again next week the vote of each of the four leaders will be published each week until the close. Only a few weeks more and it will be over. If you are going to help your favorite don't delay the matter longer. Come in next Monday, pay up and vote for your choice. A \$425 piano isn't won every day, and is a prize worth laboring for. Watch out for next week's paper.

Thursday night about 2 o'clock. The contents of the barn, a small amount of tobacco, \$40 or \$50 worth, was the property of Wilby Hatfield who was living on the place.

Mr. Hatfield has been a citizen of the county only about 18

months, coming here from Spencer county. The blood hounds were sent for but did not succeed in finding any trail.

The report sent out from this county that the barn was destroyed by night riders is without any foundation. Many theories are advanced for the burning.

### Hold Regular Meeting.

The regular quarterly meeting of the Board of Directors of the Planters' Protective Association was held at headquarters in Guthrie last week. Nearly all the directors were present, and also a number of well-known tobacco men from throughout the dark tobacco district. No business of importance was transacted. The representatives from

various counties seemed to be satisfied with the situation as far as the Association is concerned, and were of the opinion that normal conditions would soon be restored. The next regular meeting of the board will be in July.

### Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the diseases are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. You are certain to be pleased with the quick relief which it affords. Price, 25 cents; large size, 50 cents. For sale by Dale & Stubblefield.

Tired all the time; Weary and worn out night and day; Back aches; side aches; All on account of the kidneys. Must help them at their work. Let one who knows tell you how.

H. M. Parks, Wiswell, Ky., says: "For twenty years I was a victim of kidney complaint. I was subject to headaches and dizzy spells and at times was greatly annoyed by a blurring of the eyesight. I was always tired and languid and the kidney secretions annoyed me, especially at night, on account of their frequency in passing. Whenever I caught cold it settled on my kidneys and aggravated the trouble. Hearing of Doan's Kidney Pills I procured a box at Dale & Stubblefield's drug store and in a short time I noticed great relief. I continued taking the remedy until I had used three boxes when I was completely cured. I am glad to recommend Doan's Kidney Pills to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

All my notes and accounts not satisfactorily settled or arranged for settlement by the 1st day of June, 1909, will be placed, in the hands of an active collector. I am not going out of business, but business changes, partnership with my son P. A. Hart, furnish a convenient opportunity for a general settlement of business transactions extending over 30 years. I have been lenient beyond that which any reasonable person could expect. I shall be grieved if in any case it should be necessary to go further than a presentation of account for settlement, but this means business. Many thanks to friends and patrons and more when you call. I am as ever yours - J. G. HART, 6t
